HISTORY OF THE STATE ELECTION COMMISSION

The State Election Commission became a separate state agency on January 1, 1969. It had formerly functioned as a division of the office of Secretary of State. It was the feeling of the General Assembly that voter registration and the administration of elections were matters that should be removed from possible influence of partisan, elected officials and placed under the custody of a nonelected bipartisan board or commission. By the law which created the Election Commission, it was required that the Commission be composed of at least one member of the majority political party represented in the General Assembly and at least one member of the largest minority political party represented in the General Assembly.

The State Election Commission operates under authority granted by 1968 Act No. 955, which is codified as Title 7, Section 3-10 et. seq., of the 1976 South Carolina Code of Laws, as amended.

ORGANIZATION OF THE STATE ELECTION COMMISSION

I. ADMINISTRATION

The functions of the Election Commission are administered by a five-member commission, which meets monthly in Columbia, and by an executive director who is chief administrative officer of the agency. Policy, procedures and rules governing the various functions of the Commission are set by the election commissioners and carried out by the executive director. The executive director employs and maintains a competent working staff to assist him in carrying out his duties. During statewide general election years, it is necessary to employ additional personnel in order to carry out the increased responsibilities of the Election Commission at that time.

The Election Commission also considers and recommends changes in the Registration and Election laws to the General Assembly.

II. CENTRAL VOTER REGISTRATION SYSTEM

The Election Commission is the coordinating center of South Carolina's computerized system of voter registration. All forty-six (46) counties report new registrations and registration changes to the Central Office, where a computer file is built and from which are printed new lists of registered voters for every election that is held in the State: statewide, countywide, municipal or other. This system is responsible for removing from the rolls of voters those persons who have died, moved, been convicted of certain crimes or otherwise become ineligible as electors. In this regard, reports must be obtained from other federal, state and local agencies and compared with the computer files. Detailed records and statistics are maintained on the number of registered voters in each county and precinct of South Carolina. Biannually, voters who have failed to vote in at least one election in a two year perod are removed from the list of active voters and placed in an inactive file.

All forms and materials used for voter registration by the Central Office and the County Boards of Registration are printed and paid for by the Election Commission. The Central Office also provides, as a public service, the sale of precinct lists of registered voters at a reasonable cost to any registered elector.

III. AID TO COUNTIES

The Election Commission is charged by law with the responsibility of disbursing, to all counties, a state supplemental appropriation to aid in keeping the Board of Registration office open during normal courthouse hours. The amount received by the counties is based upon their respective populations.

IV. ELECTIONS

A. Office of Elections

The State Election Commission is the chief election officer for the conduct of general and special elections.

This office prints and distributes for statewide general election and countywide special elections all ballots, forms and other materials necessary to conduct such elections for Presidential Electors, State Officers, United States Senators, Members of Congress and Constitutional Amendments.

B. State Board of Canvassers

After the conclusion of state and county general elections, the five commissioners of the Election Commission act as the State Board of Canvassers. The Board certifies the results of elections and hears appeals and protests arising in such elections.

C. Educational Services

The State Election Commission conducts a comprehensive training program for election workers throughout South Carolina on a continuing basis and provides needed information to members of the public concerning election procedures in their State. A variety of election statistics regarding South Carolina's elections are also compiled and available upon request of interested individuals.

Educational Services conducted a statewide training program for poll managers working in the 1984 General Election. This program was aired to the managers at selected sites throughout the State via the Educational Television Network's closed circuit lines. Special telephone lines and talkback facilities provided by ETV were utilized to answer any manager's questions on the air. Over 8,000 managers working in the General Election took part in this training program.

Aiken, Anderson, Beaufort, Charleston, Cherokee, Greenville, Horry, Richland and Spartanburg Counties continue to implement their in-county poll manager training programs. Sumter County will begin year round training in the near future.

WORKSHIP FOR ELECTION OFFICIALS

On August 27, 1984, the State Election Commission held its fourth biannual workshop for South Carolina election officials. All members, clerks and secretaries of the respective County Election Commissions were requested to attend this meeting.

The workshop was held in an effort to bring all of the County Election Commissions together to discuss the upcoming general election. Sessions were conducted to bring the Commissioners up to date on changes in the election law, to stress administrative procedures necessary to the smooth conduct of elections and to discuss possible problems and common areas of concern.

There was a large turnout and an excellent response to the workshop. The State Election Commission plans to hold these workshops on a continuing basis.

Candidates for county offices will file their protest with the County Election Commission and candidates for offices for the State Senate and House of Representatives will file with the State Election Commission. The Commission will have not less than five and no more than ten days to hear the protest. Candidates for county offices who file a protest with the County Election Commission, may appeal to the State Election Commission if they are not satisfied with the County Board's decision.

Mr. Sexton asked how many protests Mr. Ellisor thought we might have.

Mr. Ellisor said we could possibly have six protests for the State Senate and House of Representatives and four appeals.

Mr. Gilmore arrived later in the day and signed the above listed canvass books.

November 20, 1984, 3:00 p.m.

The Board of State Canvassers reconvened for the appeal of *Ervin E. Greene, Jasper County Council, and Edward M. Harley, Jasper County Sheriff, November 6, 1984 General Election.*

All Board members were present for this appeal along with Mr. James B. Ellisor, Executive Director of the State Election Commission, Mr. Charles Gambrell, Assistant Attorney General. Mr. Gilmore introduced the members of the Board and legal counsel for the Appellant and Respondent. Details of the hearing were transcribed by a court reporter.

Testimony was given by various witnesses and the Jasper County Election Commission members, and attorneys for both the Appellant and Respondent presented their arguments.

After a 30 minute recess to consider the record and the arguments presented, the Board of State Canvassers decided to uphold the decision of the County Board of Canvassers and sustain the election. Mr. Gilmore informed all those present in the courtroom of the Board's decision and notified them that a written Order would be forthcoming from the Board.

November 21, 1984, 10:00 a.m.

The Board of State Canvassers met in the Office of the State Election Commission to certify the remaining two canvass books from Florence and Berkeley counties.

10:30 a.m.

The State Board of Canvassers met in room 101, of 2221 Devine St., Columbia to hear the appeal of Ms. Ruth Muller, candidate for Sumter County Council, District No. 2 election held on November 6, 1984.

Mr. Gilmore introduced the members of the Board of State Canvassers, Mr. James B. Ellisor, attorneys for the Appellant and Respondent, and Mr. Pat Hudson, Assistant Attorney General.

The Canvassers heard certain testimony and recessed to reach a decision in the hearing. The decision made was to hold a new election for County Council, District No. 2, only in precinct No. 3 due to the fact that an undetermined number of voters were given the wrong ballots in that particular precinct which could affect the outcome of the election.

The Board then returned to the courtroom and Mr. Gilmore informed those present of the Board's decision and said that an Order would be issued concerning the hearing as soon as possible.

The Board recessed for lunch and to review the transcript of the Lexington County Council election heard by the Lexington County Board of Canvassers on November 15, 1984, in order to prepare for the appeal to the Board of State Canvassers set for 3:00 this same day.

3:00 p.m.

The Board of State Canvassers reconvened at 3:00 p.m. to hear the appeal of James Wade Kleckly concerning the County Council District 1 election in Lexington County on November 6, 1984.

All members of the State Board of Canvassers were present, along with James B. Ellisor, and introduced by Mr. Gilmore. A court reporter was present to transcribe the hearing.

It was decided to hear the appeal on the Transcript of Record of the hearing before the County Board; however, it was decided to take testimony from other witnesses including all members of the Lexington County Board of Canvassers. Arguments were presented for both the Appellant and Respondent by legal counsel.

After hearing all arguments presented, the Board members recessed to deliberate their decision.

Upon full consideration of the testimony and arguments presented, the members of the Board voted to uphold the decision of the Lexington County Board of Canvassers and order a new election.

The canvassers returned to the hearing room and Mr. Gilmore informed those present of the decision they reached. He also informed them that an order would be forthcoming from this office.

The hearing adjourned and the next hearing before the Board of State Canvassers was set for November 27, 1984 at 10:00 a.m. to hear the protest of Ms. Reba Blackman in the House District 95 election on November 6, 1984.

November 27, 1984, 10:00 a.m.

The Board of State Canvassers convened to hear the protest of Ms. Reba Blackman, candidate for House District 95 in Orangeburg County in the November 6, 1984 general election.

In attendance at the hearing were Mr. Tyrone Gilmore, Mrs. Margaret Townsend, and Mrs. Sylvia Schwartz, State Board of Canvassers; Ms. Patricia Petway, Assistant Attorney General; and Mr. James Ellisor, Executive Director of the State Election Commission. Mr. Gilmore introduced those present and proceeded with the hearing. A court reporter was present to transcribe the hearing.

All witnesses were sequestered from the courtroom and waited in the office of the State Election Commission until they were called to testify.

After hearing the testimony and closing arguments from legal counsel for both candidates, the State Board of Canvassers recessed at 10:30 p.m. to deliberate their decision. Mr. Gilmore informed those in the courtroom that the Commission would not render a decision tonight and everyone would be notified of the decision on Wednesday, November 28, 1984.

The final decision rendered by the State Board of Canvassers in this hearing was to deny the protest.

November 30, 1984, 10:00 a.m.

The Board of State Canvassers met in room 101, 2221 Devine St., Columbia to hear the protest of Mr. Ken Young, candidate in the State Senate District 35 election on November 6, 1984.

In attendance at the hearing were Mr. Tyrone Gilmore, Mrs. Margaret Townsend, Mrs. Sylvia Schwartz, Mr. C. D. Sexton, and Dr. Neal Thigpen — State Board of Canvassers; Mr. James Ellisor, Executive Director of the State Election Commission; and Mr. Pat Hudson, Assistant Attorney General. Mr. Gilmore introduced those present and proceeded with the hearing. A court reporter was present to transcribe the hearing.

Mr. Ellisor spoke to counsel for both the Protestant and Respondent and asked that they take a recess to review the issues in the protest and agree to stipulate to those points which were true yet would have no change in the outcome of the election. Counsel agreed and recessed to review the protest.

Counsel returned and informed the Board of their decision to stipulate to several allegations in the protest. Counsel then proceeded with the hearing by calling several witnesses to testify.

After considerable testimony, the Board ordered that a new program be used to count cross-over votes and a recount be made of the ballots for Senate District 35 in Sumter County by no later than Friday, November 7, 1984, at which time the Board would make their final decision.

The hearing was adjourned at 6:00 p.m.

December 4, 1984, 10:30 a.m.

The Board of State Canvassers met in room 101, 2221 Devine St., Columbia, S.C. to hear the protest of Mr. Howard J. Johnson, Libertarian candidate for State Senate District 4 in Anderson and Abbeville counties, in the November 6, 1984 general election.

All members of the Board of State Canvassers were present with the exclusion of Mrs. Margaret Townsend. Mr. Gilmore introduced the Board along with Mr. James B. Ellisor, Executive Director of the State Election Commission, and Ms. Patricia Petway, Assistant Attorney General. A court reporter was present to transcribe the hearing.

Mr. Johnson protested the election due to the fact that his name was left off of the ballot in Abbeville County.

The Board unanimously decided to uphold the election due to the fact that even if Mr. Johnson was given every vote cast in Abbeville County, he would not have received enough votes to win the election because his opponent received more votes in Anderson County.

The Board expressed to the Protestant that they saw no excuse for his name being left off of the the ballot and assured him that the proper authorities would be notified to see that situation does not happen again.

The hearing was adjourned at 11:30 a.m.

December 5, 1984, 10:30 a.m.

The Board of State Canvassers met in room 101, 2221 Devine Street, Columbia, S. C. to hear the protest of Senator Paul Cantrell in the Senate District 43 election of November 6, 1984.

Mr. Gilmore began the hearing by introducing members of the Board, Mr. Ellisor, attorneys for the Protestant and Respondent, and Patricia Petway, Assistant Attorney General. A court reporter was present to transcribe the hearing.

Mr. Rosen, counsel for Senator Cantrell, proceeded with the hearing by asking Mrs. Townsend to recuse herself from the hearing due to the fact that one of her relatives was involved in the Respondent's campaign.

The Board now ordered a 30 minute recess to discuss this matter and to allow both attorneys time to discuss further action in the case.

The hearing reconvened at 11:15 and Mrs. Townsend informed Mr. Rosen and the courtroom of her decision not to recuse herself due to advice from legal counsel and because she has been on this Board since its beginning and in no way could she be unfair in her judgement in this case. At this time testimony was heard by witnesses for the Protestant until 1:00, at which time the hearing was recessed for lunch until 2:30 p.m.

The hearing reconvened at 2:30 p.m. At this time the Board heard further testimony until 6:15 p.m.

The hearing was adjourned at 6:30 p.m. and scheduled to reconvene at 9:00 a.m. on December 6, 1984.

December 6, 1984

The protest hearing scheduled for 9:00 a.m. this date was postponed due to the tragic death of Senator Paul Cantrell, Protestant.

Results from the Sumter County Senate District 35 recount were submitted to the State Board of Canvassers this date and the Board unanimously decided to uphold the election of November 6, 1984 with Senator Phil Leventis as winner.

December 12, 1984, 11:00 a.m.

The State Board of Canvassers met to hear the protest of Mr. Blair Snipes, candidate in the House District 6 election on November 6, 1984.

Mr. Gilmore introduced the members of the Board along with Mr. Ellisor, and Mr. Pat Hudson, Assistant Attorney General, Protestant and Respondent along with their legal counsel.

After testimony presented by witnesses for the Protestant and closing arguments from legal counsel, the Board recessed at 1:00 p.m. to determine their decision in the protest.

The Board reconvened at 2:00 p.m. and Mr. Gilmore informed those present that the Board's decision was to deny the protest of Mr. Snipes.

At this time the Board adjourned the protest of Mr. Snipes and reconvened the protest hearing of Senator Paul Cantrell for Senate District 43.

In attendance were several news reporters and Mr. William Able, attorney for the Appellant.

The Board informed the courtroom of an opinion they received from the Attorney General's office which stated that the Election Commission should seek a declaratory judgement from the Supreme Court as to whether the protest should survive Senator Cantrell or not.

Mr. Able addressed the Board and asked that they rule that the protest of Senator Cantrell not survive his death.

The Board took a short recess and returned with a decision to take the advice of the Attorney General's office and seek a declaratory judgement in the matter.

The hearing recessed at 3:00 p.m.

Meeting privately later in the day, the Board set the next meeting for the State Election Commission for January 15, 1985, at 12:00 noon.

BOARD OF STATE CANVASSERS

STATE OF SOUTH CAROLINA
COUNTY OF RICHLAND

Present: Mrs. Margaret Townsend, Mrs. Sylvia Schwartz, Mr. C. D. Sexton, Dr. Neal Thigpen, and Mr. James B. Ellisor, Executive Director

On January 20, 1985 the State Board of Canvassers met in the offices of the State Election Commission, Columbia S.C.

Mrs. Townsend called the meeting to order.

The first item on the agenda was to sign three Orders to be issued for protests held in November and December. The first Order signed was for the protest of Senator Paul Cantrell, candidate for Senate District 43 in Charleston County. The second Order signed was for the protest of Mr. Howard Johnson, candidate for Senate District 4 in Anderson and Abbeville counties. The third Order signed was for the protest of Mr. Blair Snipes, candidate for House District 6 in Anderson County.

The second item on the agenda was to certify the results from the Sumter County Council, Seat 2, re-vote which was ordered by the Board after hearing an appeal on November 21, 1984 concerning this particular race.

The Board also certified the results from the Senate District 35 recount which was ordered by the Board concerning a protest held on November 30, 1984 concerning this particular race.

There being no further business to discuss, the meeting was adjourned.

STATE BOARD OF CANVASSERS

STATE OF SOUTH CAROLINA
COUNTY OF RICHLAND

Present: Mrs. Sylvia Schwartz; Dr. Neal Thigpen; Mr. C. D. Sexton; and Mr. James B. Ellisor, Executive Director

The State Board of Canvassers met on February 27, 1985 at 10:00 a.m. in the offices of the State Election Commission to hear an appeal regarding the decision of the Commissioners of Election for the St. Andrews Incorporation special election in a protest of the election held on February 21, 1985. There were three appeals filed regarding this protest hearing; Mr. Marion E. Mills, Concerned Citizens of St. Andrews, and Ms. Edith Frick Cribb representing Citizens for Informed Choice.

Mr. Ellisor informed the attorneys for Mr. Mills and Concerned Citizens that he would like to hear from them and Ms. Cribb concerning the appeal by Ms. Cribb. Ms. Cribb was not involved in the original protest and there are certain legalities that need to be clarified as to her participation in this appeal.

Mr. Ellisor also informed the courtroom that a decision on this appeal would not be reached today due to the fact that there was not enough time for our Commission to prepare for the hearing and they want to be as fair as possible.

Two of the appeals received expressed a desire for a hearing *de novo*. Mr. Ellisor explained that this decision could not be reached until all Canvassers were present and could discuss this decision which would be the date of the continuation of this hearing on the following Wednesday, March 6, 1985. Mr. Ellisor asked the attorneys to plan to have their witnesses present in case the Board does decide to hold the hearing *de novo* and hear further testimony. Mr. Ellisor informed them that we would have subpoenas prepared and available at the hearing if witnesses are needed.

There being no further questions or discussion the hearing was recessed and rescheduled for March 6, 1985, at 10:00 a.m. in the chambers of the S. C. Court of Appeals, room 108 in the Blatt Building.

STATE BOARD OF CANVASSERS

STATE OF SOUTH CAROLINA
COUNTY OF RICHLAND

Present: Mr. C. Tyrone Gilmore, Chairman; Mrs. Margaret Townsend; Mrs. Sylvia Schwartz; Dr. Neal Thigpen; Mr. C. D. Sexton; and James B. Ellisor, Executive Director

The State Board of Canvassers met on March 6, 1985 in the Court of Appeals Courtroom, room 108, Blatt Building, Columbia, to reconvene the hearing, which was recessed on February 27, 1985, concerning the St. Andrews Incorporation special election.

Mr. Gilmore introduced the members of the Board and also Mr. Rick Wilson with the Attorney General's office representing the Board in this appeal. A court reporter was present to transcribe the hearing.

The Board asked to hear from counsel for both the appellant and respondent regarding Mrs. Cribb's position in this appeal and also their opinions on a *de novo* hearing.

After hearing arguments from counsel the Board recessed to discuss the two matters and give their decision.

The Board reconvened the hearing and gave their decision to let Mrs. Cribb, representing the Citizens for Informed Choice, participate only as Amicus Curiae in this hearing. The Board also decided to call the 14 electors in question as witnesses and ask them only two questions if they lived in the area to be incorporated at the time of the election and if they voted in the election. Due to the fact that it would take some time to subpoena all 14 witnesses the Board decided to hear their testimony on March 8, 1985 at 10:00 a.m.

The Board now recessed until 1:00.

The Board reconvened at 1:00 to recount the ballots in the Riverside and Kingswood precincts. The Canvassers recounted the ballots. After announcing the totals, the Board recessed until March 8, 1985 at 10:00 in the Court of Appeals Courtroom.

March 8, 1985 — 10:00 a.m.

The Board of State Canvassers reconvened the hearing on the St. Andrews incorporation appeal at 10:00 a.m.

The Board asked to hear from counsel before calling witnesses. Counsel for Concerned Citizens and the Commissioners of Election for the St. Andrews Incorporation special election expressed that they would like to examine the witnesses and ask them how they voted. Counsel for Mr. Mills and Informed Choice expressed that it was the elector's constitutional right to keep that information silent.

Mr. Gilmore called the witnesses to stand together and they were sworn in. Each witness was asked if they lived in the area to be incorporated at the time of the election and if they voted in that election. All witnesses present answered yes to both questions.

Counsel gave final arguments and the Board went into deliberation to reach a decision in the appeal.

The Board returned with a decision to order a new election because the outcome of the St. Andrews Incorporation election held on February 12, 1985 was in doubt.

The hearing was now adjourned and counsel was informed that a written Order would be forthcoming.

The Board then moved to room 317 of the Blatt Building to certify the results of the House District 94 election held on February 26, 1985 and the Lexington County School Trustees election held on February 26, 1985.

March 19, 1985 — 12:00 noon

Present: Mrs. Margaret Townsend; Mrs. Sylvia Schwartz; Dr. Neal Thigpen; and Mr. James B. Ellisor, Executive Director

The State Board of Canvassers met in the offices of the State Election Commission to sign the order prepared by Mr. Ellisor on the St. Andrews Incorporation appeal heard by this board on March 6 and March 8.

The Order was prepared and signed by all members present and arrangements were made later in the day and the next morning for Mr. Gilmore and Mr. Sexton to sign the order, at which time it was released.

In Re: Appeal of Ervin E. Greene, Jasper County Council, Pocataligo Township, November 6, 1984 General Election

In Re: Appeal of Edward M. Harley, Office of Jasper County Sheriff, November 6, 1984 General Election

ORDER

Ervin E. Greene was a candidate in the November 6, 1984 General Election for the office of County Council for the Pocataligo Township of Jasper County. Edward M. Harley was a candidate for the office of Sheriff of Jasper County in the November 6, 1984 General Election. They both filed a protest in their respective races with the Jasper County Board of Canvassers (County Board) alleging, *inter alia,* that the absentee ballots had been tampered with after they were counted the first time on election night and this affected the outcome of the election. Both protests were heard together by the County Board; however, the County Board's decision was divided with two members voting to uphold the protest and two members voting to deny the protest.

Greene and Harley, hereinafter referred to as the Appellants, filed an appeal with the Board of State Canvassers (State Board). William Ryan and Randy Blackmon, hereinafter referred to as the respondents, were the other candidates in the county council and sheriff's races respectively and were certified as the winners in the general election. A hearing was held by the State Board on November 20, 1984. The appellants were jointly represented by Attorney Louis O. Dore; Respondent Blackmon was represented by Attorney Joseph R. Barker, Jr., and Respondent Ryan, although present, was not represented by legal counsel. Upon agreement of all parties the appeals were heard together.

The State Board decided to hear the matter as an appeal upon the Transcript of Record of the hearing before the County board; however, the State Board unanimously voted to hear additional testimony from witnesses concerning several critical issues involved in the appeal.

The Transcript of the hearing before the County Board and the official certification of the election reflect that Harley received 3,284 votes and Blackmon 3,284 votes the first time they were counted election night. These records reflect that Greene received 3,096 votes and Ryan 3,109 from the first count on election night. The first count gave Harley 112 absentee votes and Blackmon 174 absentee votes. The first count gave Greene 121 absentee votes and Ryan 156 absentee votes. Because the difference between the candidates in both races was within one percent of the total vote cast in each race a mandatory recount of the ballots was conducted as required by law. There was a significant difference in the number of absentee votes recorded in the recount from the number recorded in the count on election night. In the recount Greene received 116 absentee votes and Ryan received 201. Harley received 110 votes in the recount and Blackmon 215.

The record reflects that there was a series of missing numbers in the absentee ballots from either 300 through 350 or 301 through 351 that were supplied to the County Board of Voter Registration to be sent to persons voting absentee. Neither the appellants nor the respondents attempted to present any evidence that would account for the missing numbers and the records kept by the Board of Voter Registration did not contain the numbers of the absentee ballots sent to voters. Of course, the appellants wish us to believe that someone removed this series of absentee ballots, voted them and thereafter put them in the absentee ballot box after the first count on election night. The appellants have produced absolutely no evidence at all that this happened and this Board rejects this contention.

The State Board called a number of witnesses in an effort to find the truth. Mr. John Jones from Savannah, Georgia, who printed the absentee ballots, admitted that his employees did not hand count the ballots before they were wrapped for delivery. Although he stated that his employees were careful and did not make errors, Captain J. Leon Gasque of the South Carolina Law Enforcement Division (SLED) was called by the State Board to give the results of an investigation he was conducting concerning the absentee ballots in the election and he stated that he had discovered three different absentee ballot numbers that had been triplicated by Mr. Jones and his printing company. Further, Mr. Bill Kauric with the Crowson Stone Printing Company in Columbia, who has been in the printing business for over 30 years and printed all the ballots for the State Election Commission that were used in the 1984 General Election, testified that people and machines printing ballots were going to make errors and there was no way to guarantee that numbers were not missing unless the ballots were hand counted beforethey were wrapped and shipped. Without any evidence to the contrary whatsoever, this Board finds that the only believable explanation for the missing sequence of absentee ballots is that there was a printing error and these ballots were not stolen. To further support this finding, this Board put weight on the testimony of Captain Gasque that his investigation reflected that none of the ballots from the missing sequence were found in the absentee ballot box.

The appellants allege that the absentee ballot box was tampered with after the first count of the ballots on election night because it was placed in a locked room to which several persons in the courthouse either had keys or might have had access to keys other than members of the county election commission and the ballot box was left unlocked. However, the overwhelming weight of testimony by all the members of the county election commission called as witnesses by the State Board was to the effect that the room was kept locked at all times during the night before the box was impounded the next day by SLED and the members of the commission were going in and out of the room all night as boxes from the outlining voting precincts came in. This Board finds that it is improbable that any unauthorized person would have taken the chance to enter the room where the ballot boxes were kept under these conditions. There is certainly no evidence at all in the record that anyone was seen going into this room who was not entitled to be there or that anyone tampered with any of the ballot boxes. Without any such evidence this Board cannot conclude that it happened.

Finally, the State Board called as witnesses the three persons who counted the absentee ballots election night. Two of them were members of the county election commission and the third a volunteer counter. The Board gave each an opportunity to explain their part in counting these ballots and asked each one of them if they had intentionally miscounted these ballots or had conspired to do so. They all replied that they had not intentionally miscounted the ballots nor had they conspired to do so. This Board wished to believe these witnesses and can only conclude that the absentee ballots were simply misconducted due to some mistake on election night.

As further evidence that these ballots were miscounted election night, we can look at the testimony of Captain Gasque. He stated that his investigation revealed that ninety votes more were found for one candidate for the school board when he counted the ballots again than were counted on election night in the absentee box. If fifty absentee ballots were stolen from the registration board and put in the ballot box after election night how is the extra forty absentee ballots for this candidate to be accounted for? The only believable explanation is that for some reason they were not counted the first time on election night.

Based on the foregoing findings, it is the conclusion of this Board that the appeal should be denied and the election upheld and it is so ORDERED.

In re: Ruth L. Muller, Protestant of the November 6, 1984 General Election for Sumter County Council District No. 2

ORDER

The protestant, Ruth L. Muller, was a candidate in the November 6, 1984 general election for Sumter County Council, District No. 2. Mr. Ed Everette was the other candidate for election to this office. The certified results of the election reflect that Mr. Everette received 408 votes and Ms. Muller received 279 votes with the difference between the two candidates being 129 votes. Ms. Muller, hereinafter referred to as the Appellant, filed a protest with the Sumter County Board of Canvassers within the time prescribed by law. The protest was heard by the Sumter County Board of Canvassers on November 15, 1984. The protest was denied and the Appellant appealed to the Board of State Canvassers, hereinafter referred to as the State Board.

The appeal was heard by the State Board on November 21, 1984. Both the Appellant and Mr. Everette, hereinafter referred to as the Respondent, were present; however, neither was represented by legal counsel. The members of the State Board unanimously voted to hear the appeal on the TRANSCRIPT OF RECORD of the hearing before the County Board. However, the State Board voted unanimously to take additional testimony from Mr. E. L. Porter, clerk of the Sumter No. 3 precinct and to examine all documents, vote recorders, and ballots used in the election in the Sumter No. 3 precinct.

The appeal of Ms. Muller contained seven separate grounds; however, the main issues were that the Sumter County Election Commission did not provide vote recorders with ballot labels containing the names of the Appellant and Respondent in the Sumter No. 3 precinct and that an estimated 40% of the 1,306 persons who voted in the Sumter No. 3 precinct were entitled to vote in the County Council District No. 2 election, but there were only 14 votes received between the Appellant and Respondent in this precinct.

The testimony presented by Mr. Porter before the State Board reflected that there were at least two vote recorders with ballot labels containing the names of the Appellant and Respondent at the Sumter County No. 3 precinct all of election day; two more recorders with their names after 12 o'clock noon, and a fifty vote recorder was delivered after 5 pm by the Sumter County Election Commission to the precinct. Although the testimony before the County Board indicated that voters were told they had to write-in the name of either the Appellant or Respondent for County Council in precinct No. 3, there were no write-in votes recorded.

The State Board finds, after seeing the vote recorders that were actually used on election day in precinct No. 3, that the names of the Appellant and Respondent were on the ballot labels and voters were given an opportunity to vote for both candidates without having to write-in their names. It became obvious to the Board that something must have happened to the votes cast by those voters in precinct #3 who were entitled to vote in the election for County Council District #2. Sumter County precinct No. 3 contains portions of three separate County Council Districts — District No. 1, District No. 2, and District No. 5. The voters in the District No. 2 portion of precinct #3 were supposed to have been given a white colored ballot card with a black edge. Voters in the District No. 1 and No. 5 portions of precinct #3 were supposed to have been given a natural colored ballot card with either a black edge or a red edge. Only 14 of the voters from District No. 2 were given the proper white ballot card with the black edge. A manual examination of the ballot cards given to the voters in the Sumter No. 3 precinct by the State Board reflected that all of the other voters in County Council #2 were given by mistake the natural colored ballot cards for the other council districts. There is very little difference in color between the white colored ballot card and the natural colored ballot card. This was a mistake that easily could have been made and was.

The State Board further finds that it was impossible to determine how many voters in precinct #3 actually voted in County Council District No. 2 because many persons in the precinct voted either a straight Republican Party ticket or a straight Democratic Party ticket and there is no way to re-program the computer to determine what straight party votes go with the appropriate County Council District in the precinct. For this reason the State Board finds that the only solution to the problem is to provide for a new vote for County Council District No. 2 in the Sumter County #3 precinct.

It is, therefore, ORDERED that the Sumter County Election Commission hold a new vote in the Sumter County No. 3 precinct for County Council District No. 2 between the Appellant and Respondent on Tuesday, December 18, 1984. Notice of this election should be given in a newspaper of general circulation in Sumter County approximately two weeks before December 18, 1984 and again approximately one week before December 18, 1984. Such notice Should advise that all qualified registered voters on the date of election will be entitled to vote, and

It is so ORDERED.

BEFORE THE STATE BOARD OF CANVASSERS

STATE OF SOUTH CAROLINA
COUNTY OF LEXINGTON

In Re: Appeal of James Wade Kleckley, Jr., Council District 1, Lexington County, November 6, 1984 General Election

ORDER

Appellant James Wade Kleckley, Jr., and Respondent Thomas H. Glenn were candidates in the November 6, 1984 General Election in Lexington County for County Council District 1. Kleckley was certified as the winner by the Lexington County Board of Canvassers (County Board) with 2,497 votes and Glenn received 2,055 votes. Glenn filed a protest with the County Board on the grounds that Kleckley had moved out of District 1 and was not a resident of the district on election day as required by law and, therefore, was not qualified to be elected. The protest was upheld by a unanimous vote of five to zero with one abstention by the County Board. Although the County Board did not specifically say so in its very brief decision, it is clear that it found that the appellant was not a resident of the district on election day from the evidence presented and, therefore, not entitled to be elected. We agree.

The appellant first asserts that the County Board erred in disregarding the evidence as to residency and by misapplying the law to the facts. The record before the County Board contains a considerable amount of evidence introduced through testimony of witnesses and documents on which the County Board reached its decision. Because the record before the County Board was more than adequate on this controlling issue, The Board of State Canvassers (State Board) voted unanimously to hear the matter on the Transcript of Record before the County Board; however, it permitted appellant to call additional witnesses to testify before the State Board on several of the grounds raised on appeal.

Section 4-9-90 of the 1976 South Carolina Code of Laws, (Cum. Supp. 1983) provides in part that "*** a council member will be deemed a resident of the district he represents as long as he resides in any part of the district as constituted at the time of his election." Additionally, the qualifications to hold public office in South Carolina are fixed and established by Article VI, South Carolina Constitution, wherein it provides that one must possess the qualifications of an elector to hold public office. "Qualified elector" means "registered elector" and no one who has not been registered to vote can be elected and hold a public office. See also, Article XVII,

S. C. CONST., *Miscellaneous Matters*, Sections 1, 1A, 1B & 4. *Mew v. Charleston & S. Ry. Co.*, 55 S. C. 90, 32 S. E. 828 (1899); *Blalock v. Johnston*, 180 S. C. 40, 185 S. E. 51 (1936); *Wright v. State Board*, 76 S. C. 574, 57 S. E. 536 (1907). Candidates' qualifications are determined at the time of the election and not at the time of nomination. *State Ex Rel Harrelson v. William Major*, 157 S. C. 290, 154 S. E. 164. Further, Article II, Section 4, S. C. CONST., provides in part that "(e)very citizen of the United States and this State of the age of eighteen and upwards who is properly registered shall be entitled to vote in the precinct of his *residence* (emphasis added) and not elsewhere ***." Residency then is the critical issue in this appeal and it must be determined as of election day. If the appellant was a bona fide resident on election day, he was qualified to be elected to Lexington County Council. If he was not a bona fide resident on election day, he is not entitled to be elected. Therefore, the question is what constitutes residency in South Carolina.

"Residence" for suffrage purposes means "domicile" in South Carolina. *Phillips v. S. C. Tax Commission*, 195 S. C. 472, 12 S. E. (2d) 13; *Clarke v. McCown*, 107 S. C. 209; 92 S. E. 479. One's domicile is "the place where a person has his *true fixed and permanent home and principal establishment*, to which he has, whenever he is absent, an intention of returning." (emphasis added) *O'Neills Estate v. Tuomey Hospital*, 254 S. C. 578, 176 S. E. (2d) 527 (1970). An intention to remain permanently, or for an indefinite time, in a place is one of the essential elements of domicile. *Barfield v. Coker & Co.*, 73 S. C. 181, 53 S. E. 170. Every person must have a domicile somewhere; and a domicile once established becomes lost or changed only when one removes to a new locality with: (1) the intention of abandoning his old domicile, and (2) the concurrent intention of living permanently or indefinitely in that new locale. 25 Am. Jur. 2d, *Domicile*, Sections 24 and 25; 98 A. L. R. (2d) 488, 489; *Barfield v. Coker & Co., supra; O'Neill's Estate v. Tuomey, supra.* Intent "is a most important element in determining the domicile of any individual." *Ravenel v. Dekle*, 265 S. C. 364, 218 S. E. (2d) 521 (1974). Intent is primarily an issue of fact, determined on a case by case basis. *Ferguson v. Employers Mut. Cas. Co.*, 254 S. C. 235, 174 S. E. (2d) 768 (1970).

In the case of *Dyer v. Huff*, 382 Fed Supp. 1313 (D.S.C. 1970), *affd.*, 506 F, 2d 1397 4th Cir. 1974) dealing with the eligibility of Furman University students to register to vote in Greenville County where they were attending college, Judge Chapman stated:

> Residency is a mixed question of law and fact and one that has given courts difficulty from the beginning of time. It is doubt-

> ful that any court has the wisdom to compose a list of questions which could be used by a registration board in determining every issue of residency that might be presented. . . .

However Judge Chapman approved the following list of questions outlined in a 1971 opinion of the South Carolina Attorney General for registration boards throughout the State to use in determining if students as well as other applicants were bona fide residents for the purpose of registering to vote in the county where they were attending college.

(1) Has the applicant registered to vote elsewhere?
(2) If married, where does his or her spouse reside?
(3) Where does the applicant keep his personal property?
(4) Does the applicant have any community ties to the locale he claims as his domicile — membership in church, social or service clubs, etc.?
(5) Where does the applicant maintain his checking and saving accounts, if any?
(6) Where does the applicant pay taxes, and what address did he list as his residence on his last income tax?
(7) What is the residence listed on the applicant's driver's license?
(State law requires a person moving permanently from the address listed on his license to notify the Department within ten days after the change address. Section 46-170 [currently 56-1-230, S. C. Code]).
(8) If the applicant owns an automobile, where is it registered? (Section 46-78 [currently 56-3-1300, S. C. Code] allows an automobile owner 30 days within which to notify the State Highway Department of an address change and to obtain a corrected registration card.)
(9) If the applicant is employed, where is his job located?
(10) Does the applicant live year round at his claimed domicile, or does he divide it elsewhere? If it is divided, how much time is spent elsewhere and for what reason?
(11) What residence does the applicant list on his selective service registration, hunting or fishing licenses, insurance policies, or other official papers and documents which require a statement of residence or address.

In the *Dyer* case, *supra*, Judge Chapman stated that "****these questions and the procedures of the defendants (Greenville County Board of Voter Registration) are fair, reasonable and adequate to determine residency***." Upon examination of the Transcript of

Record, it is apparent that these are many of the fact criteria applied by the County Board in reaching its decision.

The 1917 decision of the South Carolina Supreme Court in the case of *Clarke v. McCown, supra,* still appears to be the controlling law on the question of residency. The Court considered the issue of residency in these terms:

> The residence of a person is a mixed question of law and fact; and the intention of that person with regard to the matter is deemed the controlling element of decision. His intention may be proved by his acts and declarations, and perhaps other circumstances; but when these, taken all together, are not inconsistent with the intentions to retain an established residence, they are not sufficient in law to deprive him of his rights thereunder, for it will be presumed that he intends to continue a residence gained until the contrary is made to appear, because inestimable political and valuable personal rights depend upon it.***
>
> That a man does not live or sleep or have his washing done at the place where he has gained a residence, or that his family lives elsewhere, or that he engaged in employment elsewhere are facts not necessarily inconsistent with his intention to continue his residence at that place(.)

On the one hand in this case, we have the declaration of the appellant that he intended 2012 Glenn Road in Council District 1 to be his residence, not only on election day, but, also, continuously from the date he purchased the property seven years prior to the election. On the other hand, we have the facts and circumstances surrounding this matter which include the acts of the appellant. We must, therefore, examine the facts and circumstances to see, "when taken all together, if they are inconsistent with the intention to retain an established residence." We think that they are and that the County Board was correct in applying the applicable law to the facts.

The appellant admits that he entered into a contract of sale on approximately the 20th of October 1983, with Gordon Wayne Davis to sell him 9 acres of land, which included his home at 2012 Glenn Road, from his tract of approximately 20.7 acres. (Tr., at 68 & 93) Appellant moved to 101 Shuler Street (outside the district) and six days later the house at 2012 Glenn Road burned to the ground. (Tr., at 93) Although appellant stated that the move to 101 Shuler Street was only temporary (Tr., at 93) and he intended to return to 2012 Glenn Road, his actions thereafter appear overwhelmingly to be inconsistent with this stated intention. Had the home at 2012 Glenn Road not burned, he could not have returned there to live without breaching his contract of sale with Davis. The contract was for the sale of 9 acres including the residence. The appellant's argument that he considered 2012 Glenn Road to still be his residence after he moved to 101 Shuler Street (Tr., Respondent's Exhibit No. 1) might be more believable if he had not signed a Statement of Economic Interest required of all candidates for public office on January 23, 1984 and listed his home address as 101 Shuler Street. He could just as easily have listed 2012 Glenn Road if, in fact, he still considered it to be his residence. The form requires home address not business address as the appellant claims he intended on the form. See Respondent-Protestant's Exhibit No. 10. Further contrary intention to reside at 2012 Glenn Road by the appellant is shown by the fact that when he renewed his driver's license in February, 1984, he listed his residence address as 101 Shuler Street, West Columbia, S. C. (Tr., at 101). Appellant says that this was his business address; however, Section 56-1-80 (3), South Carolina Code of Laws (1976), requires the residence address of the applicant on his application and Section 56-1-40 of the 1976 S. C. Code (Cum. Supp. 1983) requires the residence address of the driver on his license not his business address. If the applicant had really intended 2012 Glenn Road to have been his residence, he would have put it on his application and driver's license.

It seems that the only acts the appellant thinks it takes to establish residence within the district is to sleep on a piece of property within the district on election day by driving a recreational camper on the back of a pickup truck onto the property the day before the election or before the filing date (Tr., at 83 & 104). He did this in March, 1984, at the time he filed for the office. He slept there two nights then drove the camper away. One night before the general election he drove onto the property at Glenn Road and spent several nights, including election night, without any permanent facilities. This board thinks residency should be taken more seriously than this. The standard required by the *Tuomey Hospital* case, *supra*, requires one's domicile (residence) to be a place where he has his "*true fixed and permanent home and principal establishment*, to which he has, whenever he is absent, an intention of returning." (emphasis added). Driving a pickup truck camper onto the property and roughing it alone for several nights and then returning to the comfort of family and one's usual surroundings does not, in the judgment of this board, meet that standard. Just the opposite is true in the case here. The true fixed and permanent home and principal establishment, to which the appellant has, whenever he is absent driving his pickup camper to spend election night, an intention of returning, this board finds to be 101 Shuler Street, West Columbia, S. C. There are other facts established by evidence in the Transcript that further tend to show 101 Shuler Street to be the residence of the appellant and his family. Although they have some sort of business at this address (exactly what kind is not clear), they sleep at this location most of the time. Appellant's wife lists this address as her home in the school directories of the district in which she is a school teacher (Lexington County School District Two). See Respondent-Protestant" Exhibits Nos. 5, 6, & 7.

There are very few facts that might tend to support the appellant's declaration of intent that Glenn Road is his place of residence. His voter registration certificate which was issued when he resided at 2012 Glenn Road was introduced into evidence and he stated that he had not changed his registration which showed his intention to remain a resident at 2012 Glenn Road. However, he admitted on cross examination that neither he nor his wife voted in the 1984 general election (Tr., at 92), which certainly tends to show very little faith by the appellant in his own qualifications as a resident of the district.

It is the further finding of this board that the appellant, when he entered into a contract for the sale of his residence at 2012 Glenn Road and moved from the premises to 101 Shuler Street, West Columbia, S. C., that there was an "abandonment of, and an intent not to return to the former domicile." Moreover, there was "an intention to remain permanently or indefinitely" at 101 Shuler Street and his overnight camping trips to the property located at 2012 Glenn Road at filing time and election day did not make him a legal resident of the district on election day as required by law.

The remaining grounds in the protest are set out as follows:

2. The County Board erred in its refusal to allow Appellant proper legal counsel in violation of Appellant's statutory and Constitutional rights.
3. The County Board erred in failing to allow the calling of all appropriate witnesses in this matter and specifically in failing to call Rick Temple.
4. The County Board erred in proceeding with the protest before it as the protest was not in proper form.
5. The County Board erred in failing to declare Appellant the winner of the Lexington County Council District One race and in failing to confirm Appellant as the duly and lawfully

elected candidate. The error being that Appellant met all necessary conditions precedent to election and properly won the election.

6. The County Board erred in considering this matter in the fashion it did as various County Board members had been approached *ex parte* prior to the hearing and these members should have disqualified themselves.

The State Board permitted the appellant to call Rick Temple to testify in the hearing before the State Board. His testimony added nothing new and simply was a recitation of a portion of the appellant's testimony to the effect that he considered himself to be a resident of the district. In fact, the testimony of Temple was nothing more than information he had learned from the appellant in an interview he had had with the appellant prior to the election and had written in a newspaper story.

The State Board also permitted the appellant to call all members of the County Board as witnesses at the hearing before the State Board concerning ground six in the appeal. They provided no testimony or other evidence that would indicate in any way that they had been approached *ex parte* prior to the hearing.

The appellant has produced absolutely no evidence to substantiate any of the remaining grounds in the appeal and they are hereby dismissed.

Based upon the foregoing findings of fact and conclusions of law, the appeal is denied and the Lexington County Registration and Election Commission is hereby directed to conduct a new election for Lexington County Council District 1 on the earliest appropriate date giving all interested political parties and other candidates an opportunity to be nominated and qualify. Approximate legal notice of the time and place for the election shall also be given.

It is so ORDERED.

In Re: State House of Representatives, District 95, 1984 General Election

ORDER

Protestant Reba Blackman and respondent Larry Mitchell were candidates in the November 6, 1984 General Election for the office of State House of Representatives District 95 located in Orangeburg County. Respondent was certified as the winner of the election with 4,801 votes and protestant received 4,206 votes, with the difference between the two candidates being 595 votes. A hearing on the protest was held before the Board of State Canvassers (State Board) on November 27, 1984. Protestant was represented by William F. Able, esquire and respondent by Luther J. Battiste, esquire. The protest contained 28 separate grounds; however, grounds 10 through 15 dealt with alleged violations of the 1965 Federal Voting Rights Act and the State Board ruled that it did not have jurisdiction over such matters and would not receive evidence relating to these grounds. It should be noted that other grounds in the protest recited basically the same matters contained in grounds to 10 through 15, as alleged violations of state law, on which the State Board permitted the protestant to introduce evidence.

All other grounds in the protest allege irregularities or violations of the election laws that, even though proved by the protestant, do not affect the outcome of the election. The rule of law consistently applied by the Supreme Court of South Carolina is that errors, irregularities, and, even fraud that does not affect the outcome of an election, will not be allowed to overturn the election and every reasonable presumption will be indulged in to sustain the election. *Bolt et al. v. Cobb et al.*, 225 S. C. 408, 82 S. E. (2d) 789 (1954); *Berry v. Spigner et al.*, 226 S. C. 183, 84 S. E. (2d) 381 (1954). Further, the Supreme Court has stated that it will not disturb the results of an election on factual grounds unless it appears that the evidence is not susceptible of any reasonable inference other than that the irregularities and unlawful acts complained of affected, or at least cast doubt upon, the results of the election. *Berry, supra.* In this election, there is little, if any evidence at all, that is susceptible of any reasonable inference other than in favor of the validity of the election. *Cf. Drawdy v. South Carolina Democratic Executive Committee*, 247 S. E. (2d) 806 (1978); *Trapp v. S.C. Board of State Canvassers*, 255 S.E. (2d) 670 (1979). The protestant has alleged and proved a number election law violations; but, considered all together, they still would not change the outcome of the election. This Board feels, however, that many of these violations are serious enough to warrant discussion by the Board.

The law requires that guardrails be provided in order to protect voters from crowding and confusion and to help assure secrecy of the ballot. The evidence is abundantly clear that guardrails were not provided in most, if not all precincts. There is no evidence, however, that the secrecy of anyone's ballot was actually violated because of this. The law also requires that at least 1 voting booth be provided for each 250 registered voters or major fraction thereof in every precinct to provide for voting in secrecy. Section 7-13-740, 1976 S. C. Code of Laws. Mr. John Nettles, Secretary to the Orangeburg Election Commission, testified that the county did not have sufficient booths because of a lack of funding. Also, there was considerable testimony that there were not sufficient booths in the various precincts for voters to use and those booths that were available did not have proper lighting and a shelf large enought to mark the large 24 inch ballot that was used without it being bent or damaged. The overwhelming weight of the testimony reflected that most voters simply disregarded the voting booths that were present and sat at cafeteria style table where they marked their ballots. A number of voters would sit at a table at the same time and there was talking among the voters, but there is no evidence that the voters tried to influence each other in how to vote or that they attempted to see how each other voted. From the testimony, it is clear that this situation has existed for many years in Orangeburg County. Although the evidence did not reflect that the secrecy of anyone's ballot was actually violated and this Board concludes that it was not, it is situation that must be corrected. Otherwise, this Board cannot guarantee that it will not reach a different result in future elections.

The protestant argued before the board that this election is the same as a recent annexation election in Williamsburg County where the State Supreme Court ruled that the election was void because Article II, Section 1 of the Constitution of South Carolina which guarantees secrecy of the ballot was violated. *Cf. Albert J. Smith, etc., et al. v. South Carolina Election Commission et al.*, Decision dated: October 3, 1984. A comparison of the two elections clearly shows that the facts are not the same or even analagous. In

Smith, Id., the uncontroverted evidence showed that the election officials, in printing the ballots, had by mistake numbered both the ballot stubs and the ballots themselves. When voters signed the poll list, they signed on the same numbered line as the number on the ballot they were given. Because of this it was possible to compare the ballots with the poll lists and determine how every voter in the election voted. This comparison could have been made during the election, after the election, or even today. Although testimony in this election hearng reflects that voters voluntarily chose to mark their ballots at tables along with other voters rather than use booths, and, in some precincts, the covers provided to protect the ballots after being voted but before being run through the tabulating machine were not always used to cover ballots, there was no testimony or other evidence which convinces this Board that anybody actually ever saw how an individual voted. This Board finds that there was no actual showing that the secrecy of any ballots were violated and rejects the protestant's argument that this protest is controlled by the *Smith* decision.

There was testimony by Mr. Eddie Phillips, pollwatcher in the Sub 1 Precinct, that two women asked if they could be assisted in voting (apparently they were legally entitled to assistance) by the two friends that had accompanied them to the polls. They were "told that their friends could not help the, that there was somebody back there to show them how to vote." This is clearly a violation of Section 7-13-770 of the 1976 S. C. Code of Laws, as amended by 1984 Act No. R522 of the General Assembly of South Carolina and a violation of Section 208 of the Federal Voting Rights Act, which now provide that a voter who is entitled to assistance can have any person of his choice, other than his employer, agent of that employer, or officer or agent of the voter's union, assist him in voting. Although there was no evidence produced at all that these two voters did not get to vote for the candidates of their choice or that their votes were influcence in any way by this violation, it is obvious that the poll worker(s) involved, either did not receive the instructions provided by the State Election Commission, both in writing and through the television training, or these instructions were intentionally disregarded. This is an extremely serious matter and cannot be permitted in future elections.

Mrs. Joanne Copes, a voter in Ward 3, testified that another voter who was sitting at the table where she was voting needed assistance. She volunteered to help this voter who needed assistance. The voter told her that "she had been instructed to vote for the *Times and Democrat*" (it should be noted that the *Times and*

Democrat is a newspaper in Orangeburg County). While she was attempting to assist the voter by explaining the choices on the ballot to her, a pollworker approached the table and said, "She wants to vote democrat." It could have been that the voter did want to vote democrat; however, the pollworker did not have the legal right to be present and offer assistance unless she was chosen by the voter to assist her. That was not the situation here. This is further evidence that pollworkers did not follow the law on assistance to voters.

There is no evidence in the record that would substantiate the allegations in grounds 5 and 6 that "managers and/or bystanders voted for persons for whom the voter being assisted did not desire to vote" or "that the managers as well as bystanders were allowed to intimidate and/or abuse voters. There was some testimony from Mr. Eddie Phillips that poll managers were talking to voters who were marking ballots on the bleacher seats in the gymnasium of Suburban Ward 1 Precinct; however, he could not hear what was being said. He admitted on examination by legal counsel from the Attorney General's office that he might have been giving voters instructions on how to mark a ballot rather than telling them to vote for a particular candidate. A new voting system was being used for the first time in a countywide general election and it is reasonable to assume that many voters might have needed instructions in how to mark the new ballot.

The record contains no convincing evidence that "managers as well as bystanders attempted to unduly influence the voters in casting their ballots," as alleged in ground 7. The only testimony directly concerning this point is furnished by Mrs. Joanne Copes, referred to hereinabove. There is testimony, however, by one witness, Mrs. Joanne Berry Black, a pollwatcher at Suburban 2 Precinct, that a manager, in her opinion, willfully violated his duty, committed a fraud on the voters and conducted himself in a corrupt manner as alleged in ground 8. This will be covered more specifically in discussing ground 22 hereinafter. This Board cannot conclude from the testimony of this one witness that one of the poll managers did or did not willfully commit a fraud on voters. Therefore, this matter will be referred to the South Carolina Law Enforcement Division for investigation. Ground 9 contains basically the same allegations as ground 8.

Ground 16 is too general and ground 17 is identical to ground 7.

The evidence presented by the protestant concerning the allegations in ground 18 are insufficient to affect the outcome of this election. If any of these allegations are true, and this Board does not conclude that they are, they are matters within the jurisdiction of the civil and criminal courts of this state and not this Board.

Grounds 19 and 20 have been addressed hereinabove.

Grounds 21 and 22 contain indistinguishable allegations and, therefore, are being considered as one. They are that voters in split precincts, *i.e.*, part of the voters in the precinct were in House District 95 and part were in another house district, were given the wrong ballot and voted in the election for a house district in which they did not live and in which they were not legally entitled to vote. There is undisputed testimony that this did take place. Both witnesses Joanne Black and Rodney Shealy testified that an examination of the lists of voters in the Suburban 2, 3 and 7 Precincts, which are split, revealed that there were 215 persons in Sub 2 who voted in HD 95 that were not entitled to do so; 40 persons in Sub 7 who did not get to vote in HD 95 who were entitled to do so; and, there were 34 persons in Sub 3 who did not get to vote in HD 95 who were entitled to do so.

Therefore, this Board concludes that there was a total overvote in these three precincts of 289 votes that could have affected the race in HD 95. These 289 votes must be subtracted from the difference that separates the two candidates. An overvote can only occur if voters are given ballots who are not entitled to them. What disturbs this Board is the testimony of Joanne Black that she believed that one of the poll managers in the Suburban 2 Precinct deliberately gave the wrong ballots to voters even though it was repeatedly brought to his attention. If this is true, it constitutes fraud in the election process and it cannot go unchallenged. Therefore, it is the request of this Board that the South Carolina Law Enforcement Division conduct whatever investigation it deems appropriate to resolve this very serious allegation, and, if grounds exist, that charges be brought against the offending persons(s).

In conjunction with the overvote, the protestant requested the Board to take administrative or judicial notice of the election phenomenon known as vote "dropoff". In other words, in almost every election there are some voters who do not vote in every race on the ballot. If notice of this fact is taken, then there should have been less votes cast in each race for a precinct than voters who actually voted in the precinct. However, the opposite is true; there were more voters in some of the House of Representatives districts in the split precincts than voters eligible to vote in those district. In the four precincts split between HD 95 and other house districts, Suburban 1, 2, 3 and 7, the evidence reflects a total "dropoff" of 560 votes in all three house races combined — HD 95, HD 94 and HD 93.

The protestant argued that the entire 560 vote "dropoff" should be added to the race in HD 95. We think this reasoning is faulty and we reject it. It is unreasonable to conclude without positive proof that this entire "dropoff" came from only one of the three house district races and that race was HD 95. If you compare the "dropoff" with other contested races in these precincts, it is readily apparent that the average "dropoff" in each race is much less that 560. In fact, the average "dropoff" for all contested races is only 217. Looking at the testimony of protestant's own witness, Rodney Shealy, who protestant attempted to present as an expert in election analysis, he suggested the Board compare the "dropoff" in this race to the cornoner's race because it also was contested. There was a "dropoff" of 182 votes in the coroner's race. If the total "dropoff" in all three house districts is divided equally, the average "dropoff" is 186 — strikingly similar to that in the coroner's race. No matter if you add the average "dropoff" in all contested races, 217, the "dropoff" in the coroner's race, 182, or the average "dropoff" among all three house races in the four split precincts, 186, to the overvote of 289, it still does not overcome the margin of difference between the two candidates and the outcome of the election is not changed.

There is no evidence in the record that the way unvoted ballots or cast ballots were handled changed one single vote or affected the outcome of the election in anyway. On election night, the unused ballots in one precinct were not returned to the courthouse locked in the tabulating machine as instructions required, but the testimony of the poll manager in that precinct was to the effect that the unused ballots were in a cardboard box and he stayed with them the entire time after the polls closed and returned them personally to the courthouse and turned them in to the county election commission authorities. There was testimony that one of the tabulating machines rejected ballots in one precinct because the program was not working properly all day and because of this the machine container compartment where these ballots were placed became full and had to be emptied during the voting day. The ballots, as the machine was emptied, were placed in stacks on the floor of the voting place. Of course, it would have been better if these ballots had been placed in locked containers; however, the evidence is clear that there were none available. There is absolutely no showing in the evidence that any of these ballots ever were tampered with in any way, were misplaced, or were stolen, and this Board rejects such contentions.

There is no convincing evidence that cumulative vote totals were observed by managers during the day, and, even if they were, it did not affect the election in any way.

The only evidence that shows that managers might have failed to prevent illegal voting was in the split precincts where there was an overvote. This has been previously addressed hereinabove.

The managers did fail to properly account for ballots as alleged in ground 26. This was admitted by Mr. Nettles, Secretary to the county election commission. He stated that the managers in Orangeburg County could not use the form furnished for this purpose by the State Election Commission and his commission decided to discontinue its use. Because the new voting system used had a printout tape of the number of ballots cast in each precinct, it was decided that this would serve as the manager's return of votes. The problem is that the tape does not reflect the number of ballots actually received by the managers before the voting began or the number of spoiled or unused ballots. Although absolutely no evidence was introduced that would indicate that any ballots were affected in any way by this failure to account properly for the ballots as required by Section 7-13-1150, 1976 S. C. Code, the Orangeburg County Election Commission should make absolutely certain in the next election that either the form furnished by the state be used or another form be designed and provided to the managers that they can learn to use that complies with the requirements of state law.

The testimony of Mr. Nettles gives a clear picture that all unused, spoiled and cast ballots have been within his custody since the election and there was no evidence that reflects that these ballots have been tampered with by anyone whatsoever. It is unfortunate that Orangeburg County does not have a separate and secure office for the county election commission where it can provide security to election materials without other county officials having keys to the building, but this is the situation in most every county in the state and this Board will certainly not overturn an election because of this absent any showing that someone has touched the ballots or election materials who is not entitled to have them. There has been no such showing here.

Because of the foregoing findings of fact and conclusions of law, the protest is denied and the election is upheld.

Accordingly, it is so ORDERED.

In Re: Protest of Howard L. Johnson, Senate Dist. 4, November 6, 1984 General Election

ORDER

Protestant Howard L. Johnson was the libertarian candidate in the November 6, 1984 General Election for the office of State Senate, District No. 4, which comprises all of Abbeville County and a portion of Anderson County. The democratic candidate Charles L. Powell was certified as the winner of the election. Powell received 8,882 votes in Anderson County and 6,178 votes in Abbeville County for a total of 15,060. Johnson received 762 votes in Anderson County and did not receive any votes in Abbeville County. There were also 40 miscellaneous write-in votes recorded in Abbeville County. Johnson filed a timely protest with the Board of State Canvassers (State Board) on the ground that his name had been left off of the ballot in Abbeville County.

A hearing on the protest was held before the State Board on December 4, 1984. Both Johnson and Powell were present, but neither was represented by legal counsel. Both candidates agreed that the protestant's name had been certified by the libertarian party to the Abbeville County Election Commission; however, the certification was received by an employee in another office in the courthouse and was never forwarded or turned over to the county election commission. Because of this mistake, the protestant's name was not printed on the ballot used in Abbeville County. The protestant conceded that the outcome of the election had not been affected by this mistake because he could not have won the election even if the votes received by Powell in Abbeville County were taken from Powell and the vote of every person who voted in Abbeville County added to protestant's total with the write-in votes also added. (The poll lists accompanying the protest reflect that a total of 6,740 persons voted in Abbeville County in the election.) This would still leave Powell with 8,882 votes in Anderson County and would give the protestant only a total of 7,542 votes. Of course, Powell did not concede that the protestant would have received every vote cast in Abbeville County had his name actually been printed on the ballot.

The protestant stated that he was not seeking a new election, but only wished to publicly bring this matter to the attention of the

Board and to make certain that something is done to assure that it does not happen again in the future.

This board recognizes the seriousness of the situation and will serve a copy of this Order on the Abbeville County Election Commission, the Abbeville County Legislative Delegation and the Abbeville County Council. This Board agrees with the protestant, as did Senator Powell, that, although this was an unintentional mistake, it could have resulted in the election being held over at considerable expense to the county and state and delayed representation to the citizens of Abbeville and Anderson counties in the State Senate.

Based upon the foregoing undisputed evidence, this Board finds that the outcome of the election was not affected by the fact that the protestant's name was left off of the ballot in Abbeville County. Therefore, the protest is denied and the election upheld.

Accordingly, it is so ORDERED.

State Board of Canvassers, Plaintiff,
v.
The Estate of W. Paul Cantrell, Jr., William E. Applegate, III, The South Carolina Democratic Party, and The South Carolina Republican Party, Defendants.

ORDER

Paul Cantrell was the Democratic candidate in Senate District 43. William Applegate was the Republican candidate. On November 6, 1984, Applegate was elected to Senate 43. On November 21, 1984, Cantrell filed a timely protest with the State Board of Canvassers. The Board began conducting its hearing on December 5, 1984. On December 6, 1984, Cantrell was killed in an accident.

The Board seeks to have the Court accept original jurisdiction of this declaratory judgment action asking whether Cantrell's protest survives his death. We decline to grant the petition for the following reason.

"Under common law there is no right to contest an election. The right to contest an election exists only under the constitutional and statutory provisions, and the procedure proscribed [sic] by statute must be strictly followed." *Taylor v. Roche,* 271 S. C. 505, 248 S. E. (2d) 580 (1978). Pursuant to Article II, § 10, of the South Carolina Constitution, the legislature has established procedures for contesting senatorial elections. *See* S. C. Code Ann. §§ 7-17-260 *et seq.* (1976). These statutes do not allow the continuation of a protest under the circumstances of this case.

Therefore the petition for original jurisdiction is denied.

In Re: Protest of Blair Snipes, District 6, State House of Representatives, November 6, 1984 General Election

ORDER

The protestant Blair Snipes was the democratic candidate in the November 6, 1984 General Election for the office of State House of Representatives, District 6, which comprises part of Anderson County. Petition candidate John Tucker was certified as the winner of the election by the Anderson County Election Commission. There were two other candidates in the election — petition candidates Tony Turner and Don Garrison. Tucker received 2,359 votes; the protestant received 2,104 votes; and, Turner and Garrison received 1,280 and 970 votes, respectively. The difference between the winning candidate Tucker and the protestant was 255 votes.

The protestant filed a protest with the Board of State Canvassers (State Board) within the time prescribed by law. A hearing on the protest was held before the State Board on December 12, 1984. The protestant was present and represented by Attorney H. Michael Spivey. Tucker was present and represented by Attorney Michael G. Mullinax. Neither Turner nor Garrison were present or represented by legal counsel.

The protest contained four grounds. We will consider them *seriatim.*

Ground No. 1

1. That confusion reigned supreme the night of the election (November 6, 1984) and that the totals changed from the initial totals, which showed the Protestant to be the winner. That straight party ballots were counted in more than one House race in the initial count. That in general, the Anderson County Election Commission using new voting machines, did not properly operate the machines. That Jimmy King, Election Commission Chairman, admitted that workers were not adequately trained.

Findings of the Board Concerning Ground No. 1

There was no evidence introduced by the protestant that the confusion concerning the initial count of ballots on election night had any effect upon the election other than to correct a mistake made in favor of the protestant which could not be allowed to stand. The testimony of Election Commission Chairman Jimmy King clearly reflects that straight party votes in precincts split by two different House Districts, that were cast by voters who did not reside in the protestant's district, were added to the protestant's vote total by mistake was discovered, these votes were subtracted; this is why the vote totals changed. Also, the testimony of King indicates that the votes of some voters who marked a straight democratic party ballot and then marked the ballot by the name of the protestant were counted twice for the protestant in the initial count. This, of course, was a mistake and it had to be changed. The protestant is not legally entitled to have a ballot counted twice in his favor. This Board is convinced that the certified results of the election are correct and the initial count on election night was in error and was properly corrected.

Mr. King did acknowledge that the poll workers were not as well trained as he would have liked for them to be; however, they had all received at least four hours of training who were counting the ballots on election night. Because Anderson County was using a new voting system for the first time in a countywide general election, Mr. King testified that they had a representative present from the company who had designed the voting system. This person spent considerable time checking the machines and testing the programs before the election. This Board finds that the evidence does not prove that the poll workers were inadequately trained or that their training, or lack of training, had any adverse effect upon the election.

Ground No. 2

2. That Precinct Three and Twenty is a split precinct between House Districts six and ten. That though 115 votes were cast in the House District 6 part of the Three and Twenty precinct, no votes were tabulated in the House race.

Findings of Board Concerning Ground No. 2

The testimony is clear and uncontroverted that there were no votes tabulated in the race for House District 6 in the Three & Twenty Precinct although the poll list and election list for that precinct reflected that 115 persons who resided in the House District 6 portion of that precinct voted on election day. Mr. King testified that the ballots that had been printed that contained the House District 6 race and that were furnished to the poll managers in the Three and Twenty Precinct had been returned after the election unused with the rubber band still around them. It is clear from the testimony of Mr. King that the 115 voters in the House District 6 portion of the Three and Twenty Precinct were given the incorrect ballot which contained the race for another House District. Therefore, this Board concludes that these 115 votes could have gone for the protestant if they had been properly cast in his House District race and must be subtracted from the difference of 255 votes that separates the winner Tucker and the protestant.

Ground No. 3

3. That vote totals in many other precincts in the House District 6 totals were inconsistent with votes cast in other races. For instance, in the Pendleton precinct 1,159 persons voted in the presidential election, but only 771 in the House races for Districts 6 and 10. Another example is White Plains precinct where 376 persons voted in the two House races but 511 in the presidential election.

As Mr. King, Election Commission Chairman stated, "Our problem resulted from split precincts and the fact that we had good hardworking people running the vote tabulators — but who had not been given enough training as to how to handle tabulation of split boxes." (Anderson Independent-Mail November 8, 1984.)

Findings of Board Concerning Ground No. 3

This Board finds that the testimony of Mr. King explains why the vote totals in the presidential race in the Pendleton and White Plains precincts were greater than the House races in those precincts. There is generally some dropoff in the votes cast in some of the local offices from those cast in the presidential election. However, of more significance here was the fact that these were split precincts with two house districts, and, in the districts other than House District 6, the candidates in those house races were unopposed. Unopposed candidates always receive less votes than other offices on the ballot because voters are not interested in voting in such races. In the Pendleton and White Plains precincts, the other house districts contained the greater portion of the registered voters and this explains why there were less votes cast in the house district elections than in the presidential race.

Further, the protestant has not presented one bit of evidence to prove that there were any ballots cast in these precincts for House District 6 that were not counted and recorded, or that there were any ballots that were incorrectly counted. The allegation concerning the lack of training affecting the tabulation of ballots in split precincts has been covered by this Board in its findings relating to Ground No. 1.

Ground No. 4

4. In other boxes such as Ward 5, Precinct, 2, the reverse occurred. More than 100 more persons (471-369 voted in the House race than in the Presidential race. Once again, a split precinct (between House 8 and 6). Once again, erratic totals. Other examples will be presented to the Commission at the hearing.

Findings of Board Concerning Ground No. 4

The reason there were more votes cast in the Ward 5, Precinct 2 box in the house races than in the presidential race was explained by Mr. King in his testimony. He stated that he had been called by a voter about 9 or 9:30 a.m on election morning who said that he had not gotten to vote in the presidential election and wanted to know why. Mr. King drove to the precinct which was in town nearby and discovered that the poll managers had failed to unpack the presidential ballot furnished in their election supplies and were not giving this ballot out to voters. When he arrived to correct the problem, seventy-five to eighty persons had already voted who did not receive the presidential ballot. Mr. King further testified, however, that this was the only precinct where this happened. Of course, this did not have any effect upon the outcome of the presidential election in South Carolina and it did not affect the protestant's race.

Conclusion By The Board

The protestant has clearly shown by the evidence presented that there were 115 votes in this election affected by errors on the part of poll managers. This number of votes, however, is insufficient to overcome the difference of 255 votes that separates the protestant and John Tucker — the certified winner of the election. Although more training of the poll workers might have resulted in a more efficiently run election, there was no other evidence produced by the protestant or introduced in the hearing that the amount of training provided had any further effect upon the actual outcome of the election. The protestant has failed to prove that there were 255 or more votes affected by errors, irregularities or inadequate training. The rule of law established by the Supreme Court of South Carolina in election contests is clearly that errors, irregularities or even fraud that do not affect the outcome of the election will not be permitted to overturn the election and every reasonable presumption will be indulged in to sustain the election. *Bolt et al. v. Cobb et al.*, 225 S. C. 408, 82 S. E. (2d) 789 (1954); *Berry v. Spigner et al.*, 226 S. C. 183; 84 S. E. (2d) 381 (1954).

For the foregoing reasons, the protest is denied and the election sustained.

Accordingly, it is so ORDERED.
